#### What happens if I need to order more than the minimum volume/pack size?

We have checked with Community Pharmacy Scotland (CPS) and the rules are that you will need “**round-up**” to the next multiple of the Tariff pack size/volume and endorse the prescription with the multiples needed to be reimbursed

#### For example:

Prescription: Amitriptyline Solution 10mg/5ml x 150ml  
 Tariff Volume: 100ml  
 Order: 150ml  
**Endorse the prescription: 2 x 100ml**  
 Reimbursement Due: £73.50 (2 x £36.75)
